Check-In Process

Only your nominated group representative (*named on page 1*) should enter the Administration Entrance to register the group and collect your access passes for all performers and chaperones, to then distribute to your group outside.

Your representative **must bring valid photo identification**, which must be sighted before passes can be issued.

*NB: Family members wishing to watch your performance from the arena can enter via the public audience entrance with a gold coin donation at the door (subject to capacity). The Admin Door is for **performer check-in only**.*

Once everyone in your performing group is wearing their access stickers, a Telethon representative will escort your group backstage.

Before Your Performance

While backstage:

- Your group will be escorted to the designated holding area.
- If applicable, a Telethon Production Assistant will escort your group representative to the Audio desk to confirm your backing track.
- Approximately 10 minutes before your scheduled performance, you will be escorted to the side of the stage.
- If applicable, there may be an opportunity during the preceding commercial break to complete a final line check of your backing track.
- Immediately before your performance, please hand your performer access sticker to the backstage Production Assistant. The sticker must not be worn during your on-camera performance.

After Your Performance

Following your performance:

- A Telethon representative will escort your group back to the holding area backstage, to collect any personal belongings.
- You will then be escorted to the Admin Entrance to exit the building.
- If you are part of a group, please return to your **original meeting point** so performers and families can reunite safely.

Between **11:00pm Saturday** and **4:45pm Sunday**, anyone is welcome to enter via the public entry doors to watch the Telethon broadcast from the audience for a gold coin donation, subject to available seating. If seating reaches capacity, we encourage you to enjoy the **Telethon Family Festival**, located outside RAC Arena on Wellington Street from **10:00am–4:00pm Sunday**.
