

PART 1	PART 2
Verse 1 (soloists)	
Open up the door and look around you	
There are people walking there who would astound you	
You can see them anywhere	
The train, the bus, the city square	
Half Chorus	
Everyday heroes you don't know their name	Everyday heroes you don't know their name
Everyday heroes help us just the same	Everyday heroes help us just the same
Verse 2	
They're the ones who take the strain and fight our fights	Fight our fights
And you will never find their name up in lights	Up in lights
They don't get medals, power or fame	
But tomorrow they'll be there again	..Tomorrow they'll be there again
Chorus	
Everyday heroes you don't know their name	Everyday heroes you don't know their name
Everyday heroes help us just the same	Everyday heroes help us just the same, every-
When dark clouds are gathering	day
When alarm bells start to ring	Hey
When the ones we love are calling out	When the ones we love are calling out____
Bridge	
In the fire, in the fight, with the embers flying	_____ with the embers flying____
In the hospital at night, when the baby's crying	_____ when the baby's crying
And we'll forever owe them	Everyday
Even if we don't know them	Heroes
We know they'll always find a way	We know they'll always find a way-ay-ay
Middle	
Ordinary people in extraordinary times	
Put your hand up, choose to stand up, be counted	
Put your hand up choose to stand up	Put your hand up choose to stand up
Put your hand up choose to stand up	Put your hand up choose to stand up
It's not because they're paid	
It's 'cause they're made of special stuff	
When it's tough, when it's hard they go the extra yard	
Put your hand up choose to stand up	Put your hand up choose to stand up
Put your hand up choose to stand up	Put your hand up choose to stand up
Everyday heroes	 Everyday hero____
